FINANCIAL REALITIES FOR MCKINLEY STUDENTS

Scott Nishimura, APFCU's VP for Commercial Lending; and Edmond Cbeung, mortgage loan officer, offered McKinley students the options for housing at the September 28 financial reality fair.

Aloha Pacific FCU staff and community volunteers presented Get REAL Financial Reality Fairs for McKinley High School students in September and another fair for Farrington students last month.

The aim of the fairs is to show students how much things cost in the real, adult world – things such as health insurance, housing, family needs, transportation and more. They learn, sometimes the hard way, that it's important to know the difference between "want" and "need."

The Get REAL fair was created by Matanuska Valley FCU of Alaska, which has been a partner in Aloha Pacific's financial reality fairs.
