

Management's Message

What a difference a year makes! After celebrating a return to normal life in 2022, we were greeted in 2023 with rapidly rising interest rates, the possibility of a recession, and devastating wildfires on Maui. Higher interest rates helped members earn more on certificates but made it difficult for those who needed a loan. Forecasts of recession worried people and businesses. And the tragedy of Lahaina caused many of us to look for ways to lend a helping hand. Through these triumphant and trying times, Aloha Pacific Federal Credit Union stepped up to the challenge of helping members by navigating yet another phase of the "new normal." What follows is just some of the journey that was 2023.

As always, we advanced our commitment to member service in 2023. One of the highlights was the renovation of the Waikēle Branch. Waikēle joined our family of branches with a new open floor plan that puts members and employees face to face rather than peering at each other through a video screen. Our ATMs also got a facelift. Although not as prominent as they were before debit cards and mobile payments, ATMs are still there when you need them. We also added a website feature that allows you to make appointments with our branches. Why wait in line when you can make an appointment online? Online appointments save you time and make it easier for you to get things done on your schedule.

The credit union remained on solid footing in 2023 with over \$1.3 billion in assets and over \$1.1 billion in member shares. Net income for the year was \$1.9 million and was not as big as in the previous years because the credit union paid out over \$9 million in dividends, the largest amount ever paid to members in a single year. These record dividend payments were made possible by the financial strength and stability of your credit union.

The Aloha Pacific Foundation came into its own during 2023. The year started with a \$10,000 gift to the Hawaii HomeOwnership Center to support its mission "to provide education, information, and support to create successful first-time homeowners in Hawaii." Home ownership is one of the biggest issues facing our state, a challenge which only grew bigger with the destruction of thousands of homes in Lahaina. The Aloha Pacific Foundation donated \$56,000 to the Hawaii Community Foundation Maui Strong Fund. Donations were collected from members, businesses, and your credit union to help Maui build back stronger and with greater resilience. Although still in its infancy, the Aloha Pacific Foundation is broadening its reach to the communities we serve.

Management's Message *(Continued)*

The financial stability and resiliency that have been built over the years have kept Aloha Pacific safe and sound even during tough times. When stability and resiliency are combined with aloha, then anything is possible. We are recommitting ourselves to share the aloha spirit through all the ways you connect with the credit union each and every day. Please join us in celebrating Aloha Pacific Federal Credit Union with pride and with joy. Thank you for your support and for being a loyal member.

Aloha Pacific
FEDERAL CREDIT UNION

Message from Mayor Rick Blangiardi

It gives me great pleasure to send my warmest aloha to the officers, directors, staff and members of Aloha Pacific Federal Credit Union as they celebrate the many achievements of their organization over the past year. Congratulations on another year of excellent service to City and County of Honolulu employees and to the people of our islands, guided by their enduring mission of building lasting relationships.

Our community is grateful for their steadfast support of Honolulu City Lights, charitable programs including Hawai'i Foodbank, Kapi'olani Children's Miracle Network and the Salvation Army Angel Tree, and their commitment to education through financial reality fairs for our youth and generous sponsorship of the Board of Water Supply's Water Conservation Week Poster and Poetry Contest. Mahalo for exemplifying the spirit of aloha through the funds they raised, along with Aloha Pacific Foundation, for victims of the devastating Maui wildfires.

On behalf of the people of the City and County of Honolulu, I extend my heartfelt appreciation to the Aloha Pacific Federal Credit Union for their contributions to our community and local economy, and best wishes for continued success in 2024.

Rick Blangiardi
Mayor, City and County of Honolulu

Supervisory Committee

According to the National Credit Union Administration's (NCUA) Rules and Regulations, the Supervisory Committee is responsible for ensuring that a financial audit is conducted annually, a verification of member accounts is performed at least once every two years, and an annual report is prepared and presented to the members at the annual meeting.

To meet these requirements, Aloha Pacific FCU engaged Moss Adams LLP to conduct an independent audit of Aloha Pacific Federal Credit Union's financial statements as of December 31, 2023 to confirm the consolidated financial statements are prepared in accordance with generally accepted accounting principles and fairly present, in all material respects, the financial position of the Aloha Pacific Federal Credit Union and its Subsidiaries. The audited financial statements include our wholly owned credit union service organizations, CUSO of Hawaii Services LLC, and CUSO of Hawaii Investments LLC.

Other Supervisory Committee responsibilities include overseeing the Internal Audit function, attending Board of Directors and committee meetings, researching complaints, and monitoring corrective actions for any findings from Federal Examiners.

We are pleased to report that the Board of Directors and management have met required financial reporting objectives and have established procedures to safeguard our members' assets. Their dedicated efforts to serve our members ensure that our Credit Union will maintain its sound financial condition and continue to perform in a diligent and creditable manner.

Ann Sakurao
Supervisory Committee Chair

Treasurer's Report

2023 proved to be both beneficial and challenging for Aloha Pacific Federal Credit Union. On the one hand, your credit union achieved another milestone in 2023 by growing to over \$1.3 billion in assets. Since crossing the \$1 billion mark in 2020, your credit union has continued to grow to meet the expanding needs of members.

On the other hand, only \$1.9 million in net income was recorded in 2023, a sizable reduction compared to the \$8.9 million earned in 2022. The decrease was due in part to the record amount of dividends paid to members. Over \$9 million in dividends were paid in 2023 compared to just over \$2.6 million in 2022. The Federal Reserve's action of raising interest rates to slow inflation provided the opportunity to improve dividend rates for members. Unfortunately, other members found it difficult to make ends meet in 2023 as prices continued to rise. Some of these members fell behind with their loan payments making it necessary for the credit union to provide for over \$5.9 million in loan losses.

The financial strength of Aloha Pacific made it possible to absorb both higher loan losses and increased dividends while maintaining a regulatory net worth to assets ratio of 9.96%. This level of net worth classifies the credit union as well-capitalized according to the NCUA, the agency that insures member shares. This level of net worth is a sign of financial strength that is rooted in the loyalty of our members. Members saving and pooling their money together makes it possible for other members to get loans to buy a home, buy a car, or help someone through school. Our dedicated employees and volunteers are here to ensure that the credit union remains financially strong by managing your savings and loans with safety in mind.

Members save with us because they trust that the board, management, and employees of Aloha Pacific Federal Credit Union will do the right thing. We thank you for this trust and we will strive to earn your trust day in and day out.

Thank you for being a loyal member and allowing me to serve you.

Allan Fujimoto
Treasurer
